Chair's Report

It has been another busy year and we continue to be involved in many different community events and taking on new challenges.

We received great news this summer. The South Burnaby Neighbourhood House will be moving in 2014, we have finally gotten a place to call our own. This accomplishment would not have happened if it was not for all of you who trusted, believed and supported the neighbourhood house.

I would like to say thank you to our many volunteers who help throughout the year to make Burnaby a great place to live, work and play and to our businesses, community partners, elected officials and local residents. I would like to thank our team of staff who is led by Executive Director, Antonia Beck, for all their hard work and dedication.

Finally, I would like to thank our distinguished Board of Directors for all their hard work, time and support to ensure our organization's success.
