Big Brothers of Greater Vancouver Presents

MENTORING WITH MATH

A FREE after-school program

WHAT IS MENTORING WITH MATH?

- o Mentoring with Math is an after-school program for boys and girls in grades 3-7 who are struggling with math.
- o Children are matched with mentors who help make math fun and achievable.
- o Mentors have been recruited by Big Brothers.
- o Each session is 1.5 hours - the first hour is focused on math, while the last portion is spent building a friendship between the child and mentor through play.
- o Snacks are provided.

PROGRAM DETAILS

WHEN: 4:00-5:30pm starting October 23rd — December 11th, 2019 (Wednesdays)
WHERE: North Burnaby Neighbourhood House - 4908 Hastings St. Burnaby

COST: This is a FREE program for children who need math support but do not have access to paid tutoring.
