CALP Burnaby Community Adult Literacy Program

For English speakers who would like to improve their reading, writing and math

The Burnaby Neighbourhood House is a Charitable Non-Profit Organization. We are A Volunteer Driven community-funded agency with a unique focus on Neighbours supporting Neighbours.

Program Description

The CALP team has been working hard to improve and increase literacy in the Burnaby community and support learners in reaching their goals. The program supports English speakers who lack basic reading and writing skills by pairing them one-on-one with a trained tutor who they meet once a week for 1-2 hour sessions. Each learner has an individual learning plan that is created to support their learning curve.
