

Do I Need To File A Tax Return?

All Canadian citizens and permanent residents (including people residing legally in Canada) age 19 and over (with income or no income) have to file a Canadian income tax return for each tax year in order to:

- Pay the accurate amount of income tax owed or get back some of the income tax deducted
- Claim certain benefits, such as the GST/HST Credit, Child Tax Benefit, Universal Childcare Subsidy, or Guaranteed Income Supplement under the Old Age Security Program.

The following is a list of some of the slips you may have received:

- T5007 -Statement of Social Assistance payments or Disability Benefits.
- T4 -Statement of Remuneration Paid.
- T4A -Statement of Pension, Retirement, Annuity, and Other Income.
- T4A(OAS) -Statement of Old Age Security.
- T4A(P) -Statement of Canada Pension Plan Benefits.
- T4E -Statement of Employment Insurance and Other Benefits.
