WORDS MATTER:

Improve your communication
to improve discipline

Parenting Workshop

Friday, December 16, 2022

10:30 am - 11:30 am

The Amazing Brentwood Mall

On-site
Childminding
available!

When we are frustrated, embarrassed or shocked by our child's behaviour, it can be hard to find the right words. However, the things we say when we discipline our children have a big impact.

During this workshop we'll discuss how thinking intentionally about our words can improve communication with our children and increase their chances of success in learning cooperation skills.
