## PARENTING WORKSHOP

# Understanding Temperament and the Goodness of Fit

### DATE AND LOCATION:

Friday, February 17, 2023

10:30 am - 11:30 am

The Amazing Brentwood Mall  
4567 Lougheed Hwy

### ABOUT THIS CLASS:

Your child's temperament is a combination of their unique traits and characteristics that inform how they interact with the world.

The degree to which a parent's behaviour and parenting style match their own individual child's temperament has been referred to by psychologists as "goodness of fit."

This workshop will provide information on how to create a better fit between parent and child, for better developmental outcomes.
